The Crayon Initiative

The Crayon Initiative is a 501(c)3 non-profit that brings the joy of bright new crayons to kids in children's hospitals across the US. We do this by recycling and remanufacturing old crayons that would otherwise go to landfills. Our hospital partners tell us kids often take our crayons home—as a happy memory of an otherwise uncertain time. There is a yellow bucket in the front office of Hidden Hills where you can donate your crayons.

February 11, 2022

Dear Parent/Guardian/Caregiver:

Each year at our school, students in grades three through five participate in the California Assessment of Student Performance and Progress (CAASPP). This assessment window is scheduled for April 11th through May 6th. Each student will take these assessments on their SRVUSD issued chromebook. These chromebooks have been updated with the latest web browser that supports the State of California tests. Students will take the Smarter Balanced Summative Assessments for English language arts/literacy and mathematics. Fifth grade students will also take the California Science Test (CAST).

The Smarter Balanced Summative Assessments and the CAST are online tests that measure what your child has learned. The test results help our school understand what knowledge and skills students have mastered and which ones they may still need to learn. These scores allow parents and teachers to monitor student progress so we can help each student master the appropriate grade level academic standards. It's very important that each student takes the exam and tries their best. Overall, the CAASPP scores reflect on our students, schools and school district. Please click on this link for further information - [SRVUSD web site info click here](#).

You are an important part of your child's education. To help your child prepare for the test you can:

- Talk about the test with your child. Make sure they are not scared or anxious.
- Tell your child that they have learned the material in their classroom.
- Take advantage of the online practice tests if you so choose.
- Make sure your child gets a good night's sleep and a nutritious breakfast before testing.

To learn more about the Smarter Balanced Summative Assessments or the CAST, go to the California Department of Education Parent Guides to Understanding Web page at <https://www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp>.

You also can look at sample test questions on the practice tests, which can be found on the CAASPP Web Portal at <http://www.caaspp.org/practice-and-training/index.html>.

If you have questions, please do not hesitate to reach out. Individual class testing schedules will be provided by your child's teacher as we get closer to the testing window.

Sincerely,

Melodie Huynh, Hidden Hills Principal

Information about the PTA Board and Committees:

All PTA Board members and PTA Committee Chairs must be PTA members having paid the membership fees, \$20 for an individual membership or \$30 for a family membership for the school year in which they are volunteering.

PTA Board members are voted in by the membership. They are required to attend monthly meetings, every third Wednesday of the month. Each PTA Board member works under the PTA president and is to follow the set bylaws for Hidden Hills PTA as well as being held accountable to the San Ramon Valley Council of PTAs.

PTA Committee Chairs are appointed by the PTA president. They may be asked to present updates at various PTA meetings. Each chairperson works under the PTA president and in agreement with the school administration.

All PTA Board members and Committee Chairs must ultimately act in accordance to the direction of the Hidden Hills principal.

For the 2022-2023 school year, these are some of the openings:

- 1) Box Tops Chairperson - Collects Box Tops from parents, inputs the info into the school's online account, redeems credit for the school and the PTA.
- 2) Red Ribbon Week Chairperson - Works with the principal to create a list of activities for the students to promote a drug-free environment and mind set. Ribbons are to be picked up from the San Ramon Council of PTAs (SRVCPTA) and an arrangement is to be made with the local boy scout troop to tie the ribbons around the school property.
- 3) Run for Education Chairperson - Works alongside the San Ramon Valley Education Foundation (SRVEF) to promote the district wide race in October. Attends the info meeting and picks up promotion supplies from the SRVEF. Promotes the event at school.
- 4) Recycling - Collects the recycling from campus and redeems what is collected for money to be given to the PTA

You are always welcome to attend the monthly meetings and provide input. Also, hopefully next year there will be less COVID restrictions and more volunteer opportunities will be available that involve minimal time commitment.

Please reach out to Hillary at hhesPTA@gmail.com.
