VOLUNTEER/DRIVER/CHAPERONE
Protocols and Procedures

Dear School Volunteer/Driver/Chaperone:

Thank you for your interest in volunteering, driving, and/or chaperoning at our school. Volunteers, drivers, and chaperones are an integral aspect of a great school/district, we appreciate your support. The San Ramon Valley Unified School District (SRVUSD) has instituted the following guidelines for all who wish to volunteer, drive and/or chaperone their time at our schools. This includes field trips, classroom and office support, library support and any other support that may involve direct contact with students at a school or school activity.

Below are the procedural requirements for becoming a volunteer, driver and/or chaperone in the SRVUSD and the responsibilities that are a part of this role. Utilizing these mandatory guidelines will help to make this experience successful and rewarding:

Volunteer Types - There are three types of volunteers in the SRVUSD *(All chaperones and drivers must be 25 years old):*

- **Level 1. Classroom Aides and other on-campus school volunteers** – This is the most basic level, and includes completions of the Volunteer Online Application and a search of the Sex Offender Registry. This level of clearance will allow you to act as a volunteer in classrooms, support campus activities and chaperone day field trips (as a non-driver). *Clearance takes up to 48 hours.*

- **Level 2. Field Trip Drivers:** At this level, the District will obtain a 10-year driving history and DMV "Pull Notification" ("Pull Notification" allows the District to be notified any time there is a reportable traffic violation or incident that is registered with the Department of Motor Vehicles). Also includes completions of the Volunteer Online Application, and a search of the Sex Offender Registry. This level of clearance will allow you to transport students as a driver for field trips, extra-curricular activities and athletic events. *Clearance for this level could take up to 10 days.*

- **Field Trip Drivers – Overnight Chaperones:** The District will be conducting background clearances on all Overnight Field Trip volunteer applicants. This is the most stringent level of clearance, and all volunteers who wish to chaperone on an overnight trip will be required to go through this process. It includes criminal background clearance through the FBI and Department of Justice. For additional requirements for chaperones who are also driving on a trip, see Level 2 above. This level of clearance will allow you to act as a chaperone for overnight field trips and activities. *Clearance for this level could take approximately 45 days.*

Please review both sides of this two-sided document.
