[The Crayon Initiative](#)

The Crayon Initiative is a 501(c)3 non-profit that brings the joy of bright new crayons to kids in children's hospitals across the US. We do this by recycling and remanufacturing old crayons that would otherwise go to landfills. Our hospital partners tell us kids often take our crayons home—as a happy memory of an otherwise uncertain time. There is a yellow bucket in the front office of Hidden Hills where you can donate your crayons.
