

# Hidden Hills Hawks Education Fund Annual Online Auction

## Make Our Hawks Soar High!

Donors,

Do you want to make a difference in the lives of children in your community? The Hawks Education Fund is a group of Hidden Hills staff members and dedicated parent volunteers who are committed to raising funds for our school. They work diligently to support and represent the educational interests of the students at Hidden Hills Elementary School in San Ramon.

### What can you do to help?

The Hidden Hills Hawks Education Fund has a fundraising goal of \$200,000 for the 2020/2021 school year. Our annual auction is a critical fundraising event and we need parent and community support to reach our goals. Please do what you can to help!

The items will be part of our online auction that runs from November 10th thru 20th, 2020. All proceeds will go straight to the programs that make Hidden Hills such an exceptional learning environment.

### How are the funds raised by the HHHEF used?

All funds raised through this event will go directly to Hidden Hills Elementary to supplement the non-state funded curriculum and programs. Your generous donations make it possible for our students to receive:

1. Instruction from specialists in Art, Music, Physical Education, and Technology (Computer Lab and Makerspace)
2. Para-Educator support for additional assistance in the classrooms and the Learning Lab
3. Updated technology and all classroom supplies

This year, we will be earmarking the majority of our proceeds to help cover the ongoing costs of our Technology upgrades, as especially we support several kids with their technology needs during this pandemic. Consumable supplies in our Science Labs and Art Room always need to be replenished.

The fundraising efforts of the Education Fund have been an essential part of the academic success of our children.

Regards,
