

# Hidden Hills NEWSLETTER November

Hello Hidden Hills! Student Leadership has decided to help promote school spirit by creating a monthly newsletter. Each month will have a theme. As of November, we have chosen "Character". Each newsletter will include upcoming events, reminders, and pictures to go along with it. There are also fun facts and jokes, and games such as a crossword puzzle and a word search, Character themed. We have also been working on a Guess How Many jar, which you can find in the HH office. The one who guesses the closest to the number will receive a prize. If there is more than one person who guesses the winning number the winner will be determined through a raffle. We hope you enjoy!

Did you know that on November 15, it is America Recycles Day! Each year, on November 15, people across America recycle! This day raises awareness about recycling. Recycling conserves energy, reduces air and water pollution, and can conserve natural resources! This day is one more step to help keep the earth clean. When people recycle, they show how much they care for the environment.

## HISTORIAN'S CORNER

Recently, Ed Fund organized a pumpkin patch where we sold pumpkins generously donated by the Do family. We got to sell a lot of pumpkins and even ran out of some sizes! The pumpkin patch was very fun to do and we thank everyone who bought pumpkins.

Ed Fund Goal to maintain ALL existing programs

GOAL = \$240,000

Hidden Hills would appreciate it if you could donate as much as you can. Our school has some amazing programs such as art, maker's space, music etc.

As you can see, we only raised around \$80,000 which is way below our goal, \$240,000. One of Hidden Hills biggest fundraisers is the donations collected at registration Our goal for that fundraiser was around \$100,000-\$120,000. Sadly this year we fell very short and only made \$72,000. We hope to make up the difference at events such as Movie Night or Trunk or Treat. At these small events we hope to raise a minimum of \$1,000-\$1,500.

We need as much help as we can to reach our goal. Big thanks to Ed Fund for sending us this useful information. Go Hidden Hills Hawks!
